Acknowledgements and Waivers (Please initial)

____ I understand the registration fee is nonrefundable and must be paid along with the first week’s fee with the submission of this application.

____ I understand payments are due by 6pm the Thursday before each week begins and I will be assessed a \$5.00 late fee if I fail to submit a payment by Monday at 6pm.

____ I understand the YMCA agrees to notify me or a second guardian whenever the child becomes ill. If I am unable to be reached, I authorize the YMCA and its staff to obtain immediate medical care if any emergency occurs. I understand and accept that in an emergency, my child may be transported in a private vehicle.

____ While the Hartsville Family YMCA will make every effort to provide reasonable accommodations for children with mental and physical limitations, the YMCA will not accept children who are (1) a danger to themselves, (2) a danger to others, or (3) a disruption to the normal activities making it unreasonably difficult for other children to enjoy their activities/programs. Any of the above will be grounds for dismissal. Special conditions or circumstances involving children with limitations must be discussed with the director prior to registration so that administration can make a determination if reasonable accommodations can be made.

____ I give permission for my child to leave the YMCA site, participate in authorized YMCA trips and to ride in authorized YMCA vehicles for the purpose of transportation in connection with Youth Development programs. I understand that my child may leave the YMCA premises on a daily basis in the care of his/her counselors and under the direction of the YMCA Childcare Director.

____ I will provide sunscreen for my child on a daily basis with the understanding that daily sun exposure is likely to occur.

____ I give Hartsville Family YMCA permission to apply insect repellent and/or sunscreen to my child.

____ I acknowledge that if my child needs to be provided with breakfast, he/she needs to be present at 7:45am and will be unavailable for pickup until 9:30am. If my child should need to be served lunch, he/she needs to be present by 10:45am and will be unavailable for pickup until 12:30pm. I understand that if my child is not present at the aforementioned times, he/she will not be able to receive a meal and I must provide it for my child.

Notification of Policies and Procedures

I have received a copy of the Hartsville Family YMCA’s Parent Handbook for childcare which outlines the policies and procedures of the program. By signing this, I agree to abide by them for the protection of my child as well as for the protection of the other children and staff in the childcare program.

CHILD ABUSE REPORTING PROCEDURES

The YMCA advocates a positive guidance and discipline policy with an emphasis on positive reinforcement, redirection, prevention, and the development of self-discipline. At no time will the following disciplinary techniques be tolerated: physical punishment, striking, biting, kicking, squeezing, shaming, withholding food or restroom privileges, confining children in small locked rooms, or emotional abuse.

Affectionate touch and the warm feelings it brings are an important factor in helping a child grow into a loving and peaceful adult. However, YMCA staff and volunteers need to be sensitive to each person's need for personal space (that is, not everyone wants to be hugged). The YMCA encourages age-appropriate touch that helps children develop feelings of trust, security, and self-esteem. However, at the same time, it prohibits inappropriate touch – touch that exploits a child or touch initiated by an adult for the adult's gratification or other means of sexually exploiting children.

In the event that there is an accusation of child abuse, the YMCA will take prompt and immediate action as follows:

1. At the first report or probable cause to believe that child abuse has occurred, the employed staff person it has been reported to will notify the program director, who will then review the incident with the YMCA executive director, or his or her designate. However, if the program director is not immediately available, this review by the supervisor cannot in any way deter the reporting of child abuse by the mandated reporters. Most states mandate each teacher or child care provider to report information they have learned in their professional role regarding suspected child abuse. In most states, mandated reporters are granted immunity from prosecution.
2. The YMCA will make a report in accordance with relevant state or local child abuse reporting requirements and will cooperate to the extent of the law with any legal authority involved.
3. In the event the reported incident(s) involved a program volunteer or employed staff, the executive director will, without exception, suspend the volunteer or staff person from the YMCA.
4. The parents or legal guardian of the child(ren) involved in the alleged incident will be promptly notified in accordance with the directions of the relevant state or local agency.
5. Whether the incident or alleged offense takes place on or off YMCA premises, it will be considered job-related (because of the youth-involved nature of the YMCA).
6. Reinstatement of the program volunteer or employed staff person will occur only after all allegations have been cleared to the satisfaction of the persons named in #1 above.
7. All YMCA staff and volunteers must be sensitive to the need for confidentiality in the handling of this information, and therefore, should only discuss the incident with the persons named in #1 above.
8. All full-time and part-time employees and program volunteers must read and sign this policy.
