### Cycling

Bikes are available for participants on a first-come first-serve basis. Arrive at least 10 minutes early for proper set up and adjustments to the bike. If you are a new rider, be sure to inform the instructor prior to your ride. The instructor will assist in bike adjustments to fit your leg and torso length. After set up, make sure all adjustments are secure. You are not allowed to change the pedals on the bike with ones you brought with you. It is your responsibility to wipe down the bike and the floor underneath your bike after your ride. If you perspire profusely, you may want to place a towel underneath your bike to help with the cleanup. There are cleaning stations in the room with supplies for your clean up. There is a height requirement for the cycles.
